

Slattery Graduate Program

What is it?

The program ensures a fast tracked start to your professional career, at Australia's leading property advisory and quantity surveying firm.

Who can apply?

Slattery welcomes applicants from the Slattery Student Program and graduates of property related degrees, including quantity surveying.

What will you do?

Experience all core Quantity Surveying services and business operations, including:

- Cost Planning
 - Construction Phase Cost Management
 - Asset Management
 - Tendering / Procurement
 - Business Development
 - Bid Management
 - Finance
 - Event Management
 - Knowledge Leadership
-

Successful applicants will be allocated a mentor to oversee their development and supervise applications for AIQS or RICS membership.

The program runs over 10 months, from March 2019 to December 2019.

Positions are available in Melbourne, Perth, Sydney and Brisbane.

There is an opportunity to experience working at one of our other state offices during the program.

How to apply

Email graduateprogram@slattery.com.au by **21 December, 2018**.

Include:

- Cover letter
- Degree details
- Any previous work experience (not essential)
- Your biggest strength and how this will benefit Slattery

Slattery embraces diversity and welcomes, in particular, applicants from minority groups.

Interviews will be held in January 2019.

We look forward to hearing from you!
