

The top of the page features a stylized illustration of a landscape. At the top, two birds are flying against a blue sky. Below them, a series of green, rounded hills or mountains are depicted. The middle section shows a cross-section of the earth with various layers of orange and red soil, intersected by red lines representing roots or geological strata. A blue river flows through the center, surrounded by green vegetation. The bottom right corner shows a closer view of a riverbank with green trees and a path.
